

Wentworth Valley Campground

CAMP RULES

ARRIVALS/DEPARTURE & FEES

- Check in is after 11am with check out on day of departure no later than 10am.
- You must register and pay your fees prior to entering the campground.
- Your group/family must contain the entire contents of your campsite including your vehicles, boats, trailers etc. within the site allocated to you, unless other arrangements have been made with the camp Manager.

WATER

- Water on site to be boiled prior to drinking.
- Water on site must not be used for washing cars/boats/boat engines, or filling campervan/caravan tanks at any time.
- There is not a dump station on site for either sewerage or grey water – with the closest being in Whangamata township.
- Dumping of grey water or sewerage into the long drop/port-a-loo facilities or anywhere within the campground will result in the immediate removal of your group from the campground & the cost for emptying & cleaning the facility to be paid by you, along with a report to the local council who will issue an environmental fine.

VISITORS

- All visitors/non-registered people to your site must park in the car park as all non-camp registered vehicles are not permitted in the campground.
- All visitors to your site to have vacated by 8pm.
